

## 12V (22AH) PELI BLOCK BATTERY

Housed in a Peli 1200 case for portability and durability, our custom built 12V batteries utilise the latest advanced design oxygen recombination technology to produce the optimum design of sealed lead acid batteries. Every video operator or DIT should have a few in their arsenal.

- Electrolyte suspension system
- Superior energy density
- Extremely low self-discharge rate
- Lead-calcium grids for extended life
- Superb recovery from deep discharge
